25X1 REQUIREMENT : telecommunications circuits for secure
(green) telephones. Projected increase in staff
within Hqs security division and its elements.

COMMENT : Normal secure telephone service in an existing building
is usually a no cost item. However, there is a cost for
service in a new building. This new building cost will
be handled on a case-by-case basis and will depend on the
size of the building and the number of subscribers in
the building.

Please request the desired service, as it is needed,
by using the standard telephone request (form 3577).
